I.E.S. A Xunqueira I

Bos días, meu.

¡¡Fillode...!!

Tranquilízate un pouco.

Quen nos fixo isto dixo algo que o deixa bastante claro 'Ou el, ou ti'

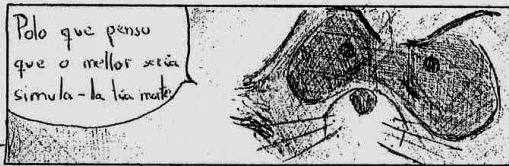

Eu non son o culpable d'isto, senón xa me dices que me puxo a mesmo a min.

¡¡P...!!

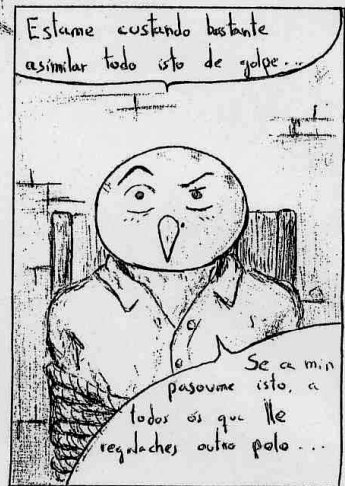

E se estás cabado é por algo.

vixiando e parece ser que é final de día, ti debes estar morto.

Si iso tranquilízame moito.

Polo que penso que o mellor sería simula-la túa morte.

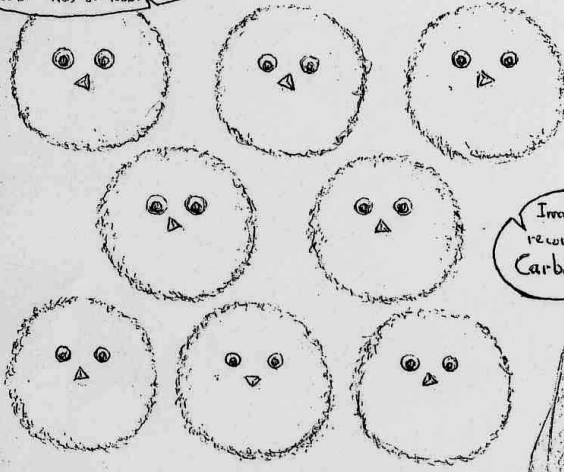

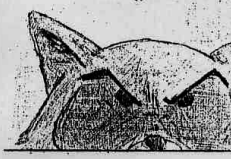

Estame custando bastante assimilar todo isto de golpe...

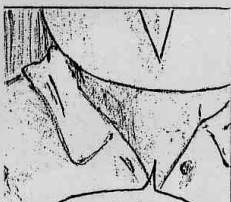

Se a min pasoume isto, a todos os que lle regalaches outro polo...

Iso creo. E diso hai xa oito anos, en 2º de bacharelato.

Oito polos, oito vidas arruinadas, e vaiite sorprenderte saber quen está tras de todo.

Imaxino que recordas a Carballa

Quen dirán que unha desas perdas das que falabamos éen ler o acontecido de verdade...
